SELCO CBB Visa Card

Whether your business has one or multiple card holders, the SELCO Commercial & Business Banking (CBB) Visa Card can help you manage your business expenses with added protection. It's designed for member businesses who want more from their cards.

Keep Business and Personal Expenses Separate

Using your CBB Visa Card instead of a personal check or credit card makes it easy to organize your business expenses rather than trying to separate them out with your monthly statements or at tax time.

Control Spending with Preset Limits

By setting a limit for each cardholder, you can control card usage and keep your expenses within budget.

Auto Rental Insurance

Receive 24-hour auto insurance coverage at no additional cost for damage due to collision or theft. Simply complete the rental transaction with your covered CBB Visa card and decline the collision damage waiver (CDW) coverage offered by the rental company to activate the coverage. You will be reimbursed for the repair or replacement of covered losses to your rental vehicle when certain terms and conditions are met.

Lost or Stolen Card Reporting

Enjoy peace of mind knowing that if your Visa card is lost or stolen, assistance is only a phone call away.

Universal Acceptance

Use your card to pay for purchases at merchant locations worldwide.

Travel Accident Insurance

Now you can receive accident insurance coverage when you use your covered CBB Visa Card to pay for travel tickets. Also, if you've purchased your tickets before leaving for the terminal, you'll be covered while traveling to and from the terminal.

Zero Liability

Use your CBB Visa card to shop online, in a store, or anywhere, and you're protected from un-authorized use of your card or account information. With Visa's Zero Liability Policy*, your liability for unauthorized transactions is \$0—you pay nothing! Visa takes online security very seriously so that you can focus on your business.
