A. Introduction

This Agreement permits you to electronically initiate account transactions and services involving your accounts and describes how you communicate with SELCO Community Credit Union ("SELCO"). In this Agreement, the words "you" and "your" mean those who request and use Online Banking, any joint owners of accounts accessed under this Agreement or any person authorized by you to access your accounts through Online Banking. 3. C. Online Banking Service Limitations

The following limitations on Online Banking transactions may apply:

1. You may make funds transfers to other accounts of yours as often as you like. Your ability to transfer funds between certain accounts is limited as stated in your deposit agreement. Pre-authorized electronic funds transfers, online bill payment, and bill payments from a Savings Account, Secondary Savings Account, or Money Market account will be limited to a total of six (6) in any one calendar month. Each funds transfer or payment through Online Banking or Mobile Banking from your Savings Account, Secondary Savings Account, or Money Market account is counted as one of the six limited transfers you are permitted each month. You may transfer or withdraw up to the available balance in your account or up to the available credit limit on a line of credit at the time of the transfer, except as limited under this Agreement or your deposit or loan agreements.

2. We reserve the right to refuse any transaction that would draw upon insufficient or unavailable funds, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.
3. The account balance and transaction history information may be limited to recent account information involving your accounts. Also, the availability of funds for transfer or withdrawal may be limited due to the processing time for ATM transactions and our Funds Availability Policy.
4. We may not immediately receive Secure Message communications that you send and we will not take action based on secure message requests until we actually receive your message and have a reasonable opportunity to act. If you need to contact us immediately regarding an unauthorized transaction or stop payment request, you may call us at 541-686-8000 during regular business hours or 800-445-4483 during or after regular business hours.

D. Periodic Statements

Transfers, withdrawals, and bill payments transacted through Online Banking will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.

E. Security of Access Credentials

You are responsible for safekeeping your access credentials. Access credentials include, but are not limited to, login IDs, account numbers, security answers, and security questions. Your access credentials are confidential, and you agree not to disclose or otherwise make your access credentials available to anyone not authorized by you to sign on your accounts. If you authorize anyone to have or use your access credentials, you understand that person may use Online Banking to view all of your account information and make account transactions. Therefore, SELCO is entitled to act on transaction instructions received using your access credentials and you agree that the use of your access credentials will have the same effect as your signature. If you authorize anyone to use your access credentials in any manner, that authority will be considered unlimited in amount and manner until you specifically revoke such authority by notifying SELCO and changing your access credentials immediately. If you, or an individual to whom you disclosed your access credentials, fail to maintain the security of these credentials and fraudulent charges or activity occur on your account, you will be liable for the full amount of these charges. If you fail to maintain the security of these access credentials and SELCO suffers a loss, we may terminate your access to Online Banking immediately.

F. Liability For Unauthorized Access

You are responsible for all transfers and bill payments you authorize under this Agreement. If you permit other persons to use Online Banking or your access credentials, you are responsible for any transactions they authorize or conduct on any of your accounts. However, tell us at once if you believe anyone has accessed your accounts through Online Banking without your authorization. The best way to mitigate your potential losses is to contact us immediately by phone at 541-686-8000 during regular business hours or 800-445-4483 during or after regular business hours. You may also contact us in-person at any branch during regular business hours or by writing to SELCO community Credit Union, P.O. Box 7487, Springfield, Oregon 97475-0487 (we request that you call us as well).

If you notify us within two (2) business days after learning of the loss or theft of your access credentials or any unauthorized use of your account(s) through Online Banking, you cannot lose more than fifty dollars (\$50.00). If you do fail to notify us within two (2) business days after you learn of the loss or theft of your access credentials or any unauthorized use of your account(s) through Online Banking, and we can prove that we could have stopped someone from accessing your account without your permission if you had told us, you could lose as much as five hundred dollars (\$500.00).

Also, if your statement shows Online Banking transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty days (60) if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, SELCO may extend the time periods.

G. Software and Equipment Requirements

Use of Online Banking requires a computer or approved mobile device and Internet access connected through an Internet or mobile service provider and with a web browser (for example, Internet Explorer or Firefox). To provide the highest degree of confidentiality and to protect the security of your financial information you must have an internet browser that is capable of 128-bit encryption. Use of the Service with lower than 128-bit encryption is strictly prohibited. To the extent that you are able to access Online Banking using lower than 128-bit encryption, we specifically disclaim any and all responsibility for losses resulting from your use of such lower encryption. We may change these requirements from time to time.

H. Fees and Charges

There are certain fees and charges for Online Banking as set forth on the Rate and Fee Schedule, which is a part of this Agreement. From time to time, the charges may be changed. We will notify you of any changes when required by law. If you request a transfer or check withdrawal from your line of credit account, such transactions may be subject to charges under the terms and conditions of your loan agreement.

I. Service Availability

Online Banking will generally be available 24 hours a day, seven days a week. Online Banking may be unavailable from time to time for routine software and hardware maintenance or due to unscheduled down time.

J. Limitations of Liability

If we do not properly complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for the amount of any losses or damages incurred by you and resulting directly from such failure. You are solely responsible for the selection, installation, maintenance, and operation of your personal computer and software. SELCO expressly disclaims any and all liability as it relates to the improper use of your personal computer, electronic device, and the transmission of data. We will not be liable in the following instances:

1. If, through no fault of ours, there are not adequate funds in your account to complete a transaction, your account is closed, or the transaction amount would exceed your credit limit on your line of credit.
2. Any errors or failures due to any malfunction of your personal computer or software, or unsuitability of your personal computer or software, or any virus, or any problems that may be associated with the use of any Internet service.
3. If you used the wrong access code or you have not properly followed any applicable device, internet access, or our user instructions for making transfer transactions.
4. If circumstances beyond our control (such as fire, flood, power outage, equipment or technical failure or breakdown, your internet service provider) prevents the transfer, despite reasonable precautions that we have taken,
5. Your account is frozen, or if access to your account is blocked because of a delinquent loan or is subject to legal process or other claim.
6. If your transfer authorization terminates by operation of the law.
7. If you believe someone has accessed your accounts without your permission and you fail to notify us immediately.
8. If you have not properly followed the requirements in this Agreement regarding scheduling and frequency of transfers or payments.
9. If we have received incomplete or inaccurate information from you or a third party involving the account or transfer.
10. If we have a reasonable basis for believing that unauthorized use of your access credentials or account has occurred or if you default under this Agreement, the Membership and Account Agreement, a credit agreement, or any other agreement with us, or if we or you terminate this agreement.

There may be other exceptions stated in this agreement and in other agreements you have with us. In no event shall we be liable for any incidental or consequential damages, or any other damages, in excess of your actual loss due to our failure to complete a transfer.

K. Information Authorization

Your enrollment in Online Banking may not be fulfilled if SELCO cannot verify your identity or other necessary information. Through your enrollment in the Service, you agree that SELCO reserves the right to request a review of your credit rating at its own expense through a selected credit bureau.

L. Disclosure of Account Information to Third Parties

It is our general policy to treat your account information as confidential. However, we will disclose information to third parties about your account or the transactions you make in the following situations:

1. As necessary to complete transfers;
2. To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
3. To our auditors, service providers, attorneys, or collection agents in the normal course of their duties;
4. To comply with government agency or court orders;
5. If you give us written permission; or
6. As otherwise allowed under SELCO's Privacy Policy: www.selco.org/documents/privacypolicy.pdf

2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days. We will tell you the results of our investigation within 10 business days after we hear from you and will correct any error promptly. For errors related to transactions occurring within 30 days after the first deposit to the account (new accounts), we will tell you the results of our investigation within 20 business days. However, if we need more time, we may take up to 45 calendar days to investigate your

complaint or question and 90 calendar days for point-of-sale (“POS”) transaction errors, new account transaction errors, or errors involving transactions initiated outside the

United States. If we decide to do this, we will provisionally credit your account within 10 business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

If we decide after our investigation that an error did not occur, we will deliver or mail to you an explanation of our findings within three (3) business days after the conclusion of our investigation. At your request, we will provide you copies of documents (to the extent possible without violating other members’ rights to privacy) relied upon to conclude that the error did not occur.
